Our Lord Jesus Christ King of the Universe

"Jesus of Nazareth...is so intrinsically king that the title "King" has actually become his name. By calling ourselves Christians, we label ourselves as followers of the King...

God did not intend Israel to have a kingdom. The kingdom was a result of Israel's rebellion against God.... The law was to be Israel's king, and, through the law, God himself.... God yielded to Israel's obstinacy and so devised a new king of kingship for them.

The King is Jesus; in him God entered humanity and espoused it to himself. This is the usual form of the divine activity in relation to mankind. God does not have a fixed plan that he must carry out; on the contrary, he has many different ways of finding man and even of turning his wrong ways into right ways....

The Feast of Christ the King is therefore not a feast of those who are subjugated, but a feast of those who know that they are in the hands of the one who writes straight on crooked lines" – Pope Benedict XVI

Prayer to Christ the King

Christ Jesus, I acknowledge You King of the universe. All that has been created has been made for You. Make full use of Your rights over me. I renew the promises I made in Baptism, when I renounced Satan and all his pomps and works, and I promise to live a good Christian life and to do all in my power to procure the triumph of the rights of God and Your Church. Divine Heart of Jesus, I offer you my efforts in order to obtain that all hearts may acknowledge your Sacred Royalty, and that thus the Kingdom of Your peace may be established throughout the universe. Amen.
